ABOUT THIS TEA

We designed this tea for people who cannot take caffeine but would still like a nice cup of tea. The perfect tea for fatigue, deep sleep, jet lag and soothing the stomach. Packed in a pyramid tea bag to allow space to brew. Pair it with a rich dessert to clean the palate and reduce the guilt of sugar. This tea is made with dried Ceylon ginger pieces infused with premium quality Ceylon Ginger Oil and Ceylon Cinnamon Bark Oil. Zero natural or artificial flavoring.

DIRECTIONS FOR USE

Boil fresh, cold water in a kettle. Add tea bag to a cup. Pour hot water over tea bag in the cup. Brew covered for 5-10 minutes or as needed. For added strength, leave the tea bag in the cup for extra brewing as ginger takes time to brew. You can also keep adding hot water upto four times to make more tea. Get the maximum value out of each tea bag.
